About Us

Retreaders of all sizes and industries trust TECH for the world's highest quality tire repairs, chemicals, tools, and equipment. Headquartered in Belgium, TECH Europe works with over 85 official distributors and key accounts including Goodyear, Michelin, and Bridgestone-Bandag who supply TECH's leading solutions throughout EMEA.

Why Choose TECH?

TECH provides technicians with a one-stop solution for tire retreading with a choice between **electric** and **pneumatic Extruder Guns** to suit their specific **industry, application, and budget**.

TECH Extruder Guns are:

- **Manufactured in Italy** by our dedicated team of in-house experts.
- World-renowned for their **long-life span, durability, and unrivalled performance**.
- Expertly engineered with powerful drills including **Bosch**.
- Lightweight with a maximum **temperature capacity of 120°C**.
- Supported by TECH's Thermacure repair patches which exceed **ECE 108/109** and **BS AU 159** industry standards.

Need A Repair?...TECH Has You Covered!

Our trusted repair service is available for all our manufactured extruder guns as well as bead breakers, expanding rims, and spare parts. Simply contact our team to speak with our technical expert, Mirjan.

“We take great pride in the products we manufacture, and should any need repaired or serviced, we are committed to doing so in a timely manner to ensure no disruption to our customers; their satisfaction is our top priority.”

– Mirjan
